**Subject:** RFI 006 - FY20 Accounts, Legal Costs, Electricity

Dear Junta Board (and fellow Home Owners!)

Following the Easter break, we have prepared additional questions for the Junta Board to address in the form of RFI 006. This time we have queries about the absence of the FY20 Accounts, the ongoing Legal Costs and the Electricity in Cabrera.

We hope to impose on your most valuable time and to receive the first community-wide response from the Junta Board to all the questions raised. (especially as AGMs, voting, budgets and budget approvals now appear to be a thing of the past).

There would be nothing quite like a professional, detailed, written response from the Junta Board to build confidence and a strong sense of community among the Home Owners who entrust you with their funds.

Kind Regards
